PROFESSIONAL PROFILE

Creative director and visual effects artist specializing in narrative film editing, procedural 3D worldbuilding, photorealistic compositing, and color grading. Over 6 years of experience transforming ambitious creative concepts into high-impact cinematic imagery.

SELECTED EXPERIENCE

Senior VFX Artist & Director — 2024 – PRESENT

Independent Cinema & Commercial Productions

Directing visual post-production workflows for narrative film and commercial campaigns. Supervising on-set VFX setups, matchmoving, 3D environment synthesis, and color timing in ACES.

Lead Compositor & CGI Generalist — 2022 – 2024

Post-Production Studio

Executed complex multi-pass photorealistic compositing, digital matte painting, rotoscoping, and 3D lighting for commercial broadcasts and narrative productions.

Cinematic Video Editor & Colorist — 2019 – 2022

Film & Agency Freelance

Cut and finished dramatic short films, commercial spots, and music videos. Emphasized pacing, micro-transitions, and emotional tone matching.
